

# PROGRAMS DIRECTOR

The Museum of World Treasures is looking for a Programs Director to lead the Exhibit, Curator and Educational segments of the museum. Desired qualities of this individual are:

- Bachelor's degree in Museum Studies, History, Education or a related field, Master's degree preferred.
- Prior museum experience preferred.
- Strong Customer Service Focus
- Excellent Project Management Skills. This position will be responsible for the Exhibits at the museum. This means they have the authority to lead the group through creating new exhibits from the spark of a creative idea on through the actual building of the exhibit.
- Leadership Skills to guide the group, develop plans strategically and provide administrative structure to the staff, volunteers and interns as they manage the brand, assets, facilities, collections and equipment of the Museum.
