

Internship outline

Education Intern

JOB INFORMATION

Position Title:	Education Intern	Department:	Education
Reports To:	Education Lead	Timeframe:	Fall 2026

Summary

The Education Intern is responsible for working with and helping the Education Lead to accomplish a below stated project goal within the timeframe of the internship. The intern will learn basic skills with the scheduling, creating, and carrying out educational programs.

Project

The intern will work on the below listed project(s) during their time with the Museum. The Education Lead will support and teach the intern in how to best carry out the project(s). Progress on the project(s) will be assessed by the Education Lead as necessary over the course of the internship. The project(s) for this internship are as follows:

- **Update Wands & Wizards Summer Camp**
 - The Education Intern will work with the Education Lead and Specialist for Youth Programs to update the Wands & Wizards summer camp program. The Intern will learn the format of summer camps at the Museum and then create new or update existing activities and content for the Wands & Wizards Summer Camp.
- **Day-to-day work**
 - The Intern will assist the Education department with day-to-day work in scheduling and carrying out programs over the fall. The Intern will learn to help deliver field trip programming and other educational programs as needed.

To Apply

Interested applicants should email education@worldtreasures.org with their cover letter and a resume.
